Re: **Beliefs Survey Information for August 2017**

Dear **MTSS Cohort 4 Principals**,

Thank you for your commitment, passion, and leadership in pursuing continuous school improvement. Implementation of any efforts regarding school improvement is often dependent upon what we believe and how we act upon those beliefs. Therefore, we will administer a **Beliefs Survey** in order to gather baseline data on our staffs' beliefs about instruction, student achievement, data-based decision-making, and cultural proficiency. Data will be shared and unpacked with you and your Instructional Leadership Team (ILT) during our September Day 1 of professional learning.

Please share the Beliefs Survey Link with staff.

Who: All Certified Staff

When: Between August 1, 2017 and September 1, 2017

What: Beliefs Survey Overview Video: <http://bit.ly/wcpssbeliefs>

Beliefs Survey Link for staff: <http://bit.ly/wcpssbeliefsc4>

Lessons we have learned about administering this survey:

- This survey takes about ten minutes and response rates are optimized if staff is given time during a staff meeting or other general meeting to complete the survey.
- Encourage staff to go with their initial responses and to not over-think the questions.

If you have any clarifying questions, please contact Alicia Miller (amiller3@wcpss.net).
