Dear Principals,

Thank you so much for your work and commitment to implementing the Strategic Plan through the lens of the MTSS framework in your schools. We are looking forward to a very exciting school year. As we prepare for the 2017-2018 school year, we want to inform you of upcoming professional learning dates that will build the capacity of school teams to advance the work of learning and teaching across tiers focusing on and implementing the Standards and Shifts, 4Cs, PLTs, and Equity.

Below are the dates for professional learning during the 2017-2018 school year, as well as, adjusted cohort groupings. All sessions will take place at **WCPSS Spring Forest Modular Campus** (3851 Spring Forest Road, Raleigh 27616 adjacent to East Millbrook MS) from **8:30am – 4:00pm** each day.

When considering members of your Instructional Leadership Team, refer to the “Essential Qualities of Instructional Leadership Team” guide. Many team members will remain the same as your previous year(s) of professional learning, however there may be some shifts in membership. Please identify members of your Instructional Leadership Team and submit their names and information by completing the following survey:
